

China RE Collapse, Fake PCR Tests & Plandemic Push Back!

Posted November 1st, 2021

By Charles H. Coppes

"There is no worse mistake in public leadership than to hold out false hopes soon to be swept away. The British people can face peril or misfortune with fortitude and buoyancy, but they bitterly resent being deceived or finding that those responsible for their affairs are themselves dwelling in a fool's paradise."

- Winston Churchill, British Prime Minister & Statesman (1874-1965)

"Emergencies' have always been the pretext on which the safeguards of individual liberty have been eroded — and once they are suspended, it is not difficult for anyone who has assumed such emergency powers to see to it that the emergency persists."

- Friedrich A. Hayek, Austrian Economist (1899-1992)

"Necessity is the plea for every infringement of human freedom. It is the argument of tyrants; it is the creed of slaves." - William Pitt (1708-1778)

"Men, it has been well said, think in herds; it will be seen that they go mad in herds, while they only recover their senses slowly, and one by one."

- Charles Mackay, *Extraordinary Popular Delusions and the Madness of Crowds*

"The natural progress of things, is for liberty to yield, and government to gain ground."

- Thomas Jefferson, Third US President (1743-1826)

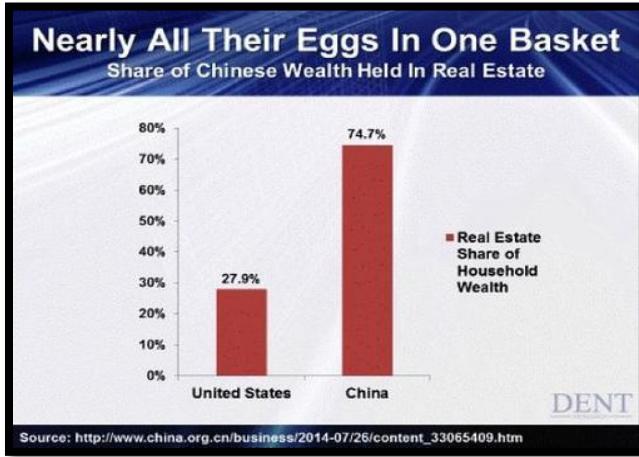

"It is seldom that liberty of any kind is lost all at once." - David Hume

"Night comes when no man can work." Jesus Christ (John 9:4)

Greetings to All on All Saints Day,

As you can gather from **the above quotes**, I need to share an urgent message with you this month. As **F. A Hayek** notes, "emergencies" are always a "pretext" to **erode our liberties**, and "once they are suspended" they want the "emergency powers" **to persist**. **Hayek** related this to the horrors of **Nazi Germany**; and today we have **medical tyrants** and **technocrats** exploiting a **plandemic based on fake science** to terrorize and enslave us. We will take a closer look at this wicked agenda, **but first we need to address serious developments in Communist China**, and risky capital markets here in the **West**.

Chinese RE Collapse & Financial Contagion!

By now, most people have heard something about a real estate problem in **China**. Folks, this is way beyond a *property issue* within the 22 provinces that comprise mainland **China** today. This crisis also involves **Taiwan**, also known as the Republic of China since 1949, (but considered a **23rd province** by **Beijing**) - more on this in a moment. At issue, is the end of a very long **Ponzi Scheme** created by the **Chicoms**. As you can see in **the chart above**, nearly 75% of household wealth in China is in RE, and we are talking *empty apartments* as seen here in every province. Talk about all your **eggs in one basket**, and the potential for *major social unrest* in **China** if people lose their life savings in this **RE collapse** exposed by **Evergrande Property Services**, that is going bankrupt!!! I have been following this crisis on **Zerohedge**, and HERE are all of their links on this topic that are barely being reported in the **West**. And here is a commentary on this staggering \$62 trillion dollar Ponzi Scheme:

"The property sector, Goldman recently calculated is worth \$62 trillion, making it the world's largest asset class, contributes a mind-boggling 29% of Chinese GDP (compared to 6.2% in the US)... revealed that more than 90% of China's top 100 property developers' sales declined in September by an average of 36% from the same period last year.... as potential buyers hold off expecting liquidation fire sales from the property giant in hopes of getting bargains. The problem is that in addition to being the world's largest asset, China's property market is also the world's largest Ponzi Scheme, and without constant inflow of new capital it would implode, especially when factoring in the 90 million vacant apartment which just sit inert and which would promptly be dumped by anxious owners, flooding the market with excess inventory and sending prices crashing.... the nation's developers are facing a "triple whammy" with dwindling access to offshore financing, "catastrophic" September pre-sales and a limited onshore banking market. Translation: both organic (i.e., operation) and external sources of cash have dried up.... So while some observers have compared Evergrande's woes to the epic collapse of Lehman, the truth is that the coming default is just the trigger event whose downstream effects would pull down the entire Chinese bubble house of apartments cards, something the latest housing data show is already in play. Because at the end of the day, no Ponzi Scheme can continue if the participants lose faith in a favorable outcome, and at \$62 trillion China's housing sector is the world's biggest Ponzi Scheme. Which is why other experts have said this isn't a Lehman Brothers moment – it could be far worse, if one views China's gargantuan real estate sector as rotten to the core. Which it is."

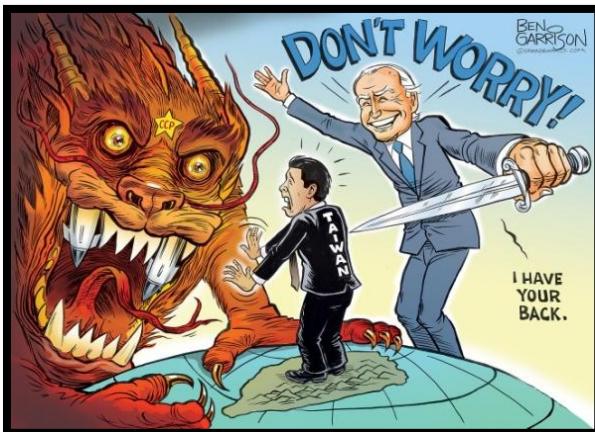

I am almost at a loss for words to describe the implications of this historic Ponzi Scheme. If you are not familiar with **that term**, you can look it up at THIS LINK. They all end badly.....\$\$\$\$

ADV Video Clip: Graphic Deterioration of 90 Million Apartments!

So what are implications of this Ponzi Scheme in China? I wish I didn't have to share the above **29-minute video** with you from some of my favorite guys living in the provinces of **China**, but you can see just *how awful* things are on the ground. Oh my. Folks, we are talking about **a majority** of people in **China** about to lose their life savings, with **NO safety net!** As noted in **this video clip**, the **Chinese** people don't trust their rigged stock market, **gold** has been flat for years (due to rigging in the West), so they have put most of their retirement eggs in this **epic real estate debacle**. A very sad situation.

Charles Hugh Smith recently weighed-in on the coming *humanitarian crisis* in all of **China**, and very accurately identifies the problem as plain-old **moral hazard**, or shall we say, *old-fashioned greed*:

"What's actually happening in China isn't Marxist or Capitalist--it's plain old non-ideological human greed, hubris and magical thinking manifesting as moral hazard running amok.. Moral hazard-- the separation of risk and consequence, as speculators make increasingly risky bets because they know any losses will be covered by the state--is effectively the new State Religion in China: everyone is absolutely confident that every punter, especially all the rich, powerful, well-connected speculators--will be bailed out by the central government. Greed knows no bounds when a speculator is insulated from risk, for people have an insatiable appetite for risky bets when the gains will be theirs to keep but any losses will be covered by the government. This is the fundamental story of **Evergrande**: the implicit backstop of the Chinese government enabled near-infinite moral hazard which then fueled an explosion of debt-funded speculation with essentially zero connection to real-world risks, sales, return on capital, etc. **Both the U.S. and China have been a utopian Paradises of moral hazard for the past 30 years.** That's the problem with incentivizing moral hazard: the profits from speculation, corruption and fraud far outweigh the puny profits earned by legitimate enterprises. So where do you put the borrowed billions? In **Evergrande** and other speculations"

The greatest threat from China is not moral hazard or counterparty risk. The greatest threat from **China** is kinetic war to "reclaim" **Taiwan** as its **23rd province** (as I predicted in my book). And here we are with provocations from **Beijing** launching *hypersonic missiles* that has caught the **Pentagon** off guard!? You can read more at [THIS LINK](#) and [THIS LINK](#) related to the **above chart**. And then we have the Cadaver-in-Chief mumbling off-script that we are "committed" to defend **Taiwan**, that was *immediately* walked-back by his **Deep State** handlers. This kind of brinkmanship is very concerning. Why? Let's just say, that when nations get in trouble, *they take them to war*. Please watch this below:

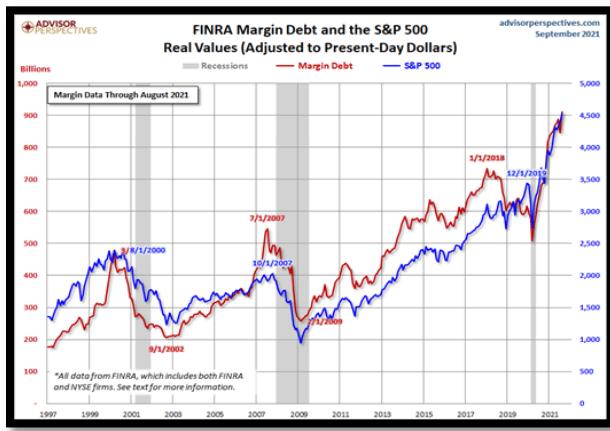

Australia: War With China: Are We Closer Than We Think?

As I indicated, the **\$62 trillion dollar Ponzi Scheme** is very concerning. But this is way beyond just a **property issue in China**. If you watch the **above video**, you realize that **China** has been preparing for war against **Taiwan** for **30 years!** Their mandate is clear, and restated often. The hour is drawing near, and it will involve the **USA**. It is **41-minutes**, and it is well worth your time. Your future.

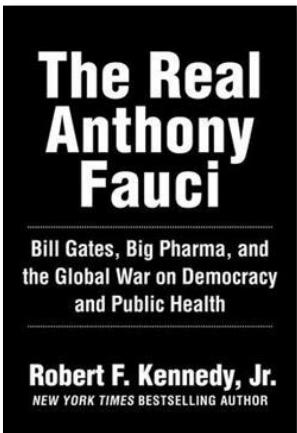

Moving on, I am always compelled to comment on the **US** economy. But as **C. H. Smith** has said, both the **US** and **China** have been a **utopian paradise**s for rampant **moral hazard** in the **East** and **West**. It is "non-ideological human greed" - and you have to love that clarity. As legendary investor **Warren Buffett** (the Oracle from Omaha) sagely stated: "There are only two emotions in the market; **fear and greed**." Let that sink in, and let me share a couple of my favorite (sick) **cartoons here**:

The **US** stock "market" is a **utopian paradise** for rampant **moral hazard**. The only driving force for risky capital markets in the **West** have been the evil central banksters! It is un-officially known as the "**Fed Put**" that will cover all risky bets (just like Communist China). As seen above, naive investors happily trust their friendly financial person, but the real stock market is a **rigged casino**. It is mostly, the adage, "*buy on the rumor, and sell on the news.*" **What they call pump-and-dump**. Look at **BTC**!

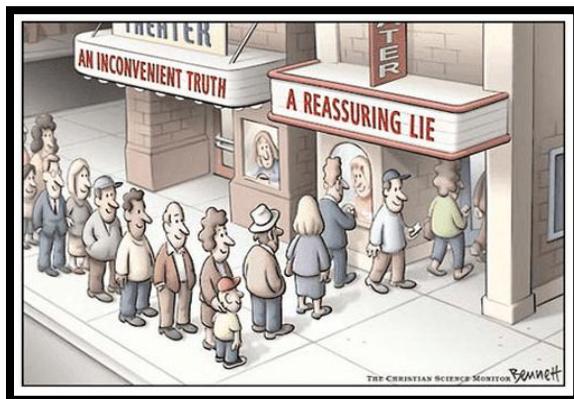

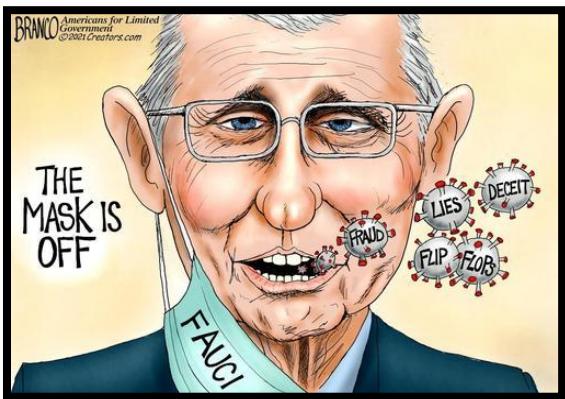

In a fantastic illustration of risky capital markets in the **West**, I present **the above chart**. What do we see here? **We see margin debt**. **What is margin debt?** Margin debt is **US corps** borrowing fiat to buy back their own stocks. **US corps** have spent **\$11 trillion** in the past decade to boost their fake earnings, and this is more than the combined **GDP of Japan, Germany and Italy**. **This is moral hazard**. And now we have **the inflation train** ready to slam into the economy....and crash everything.

"There comes a time when you do have to give up what you consider your individual right of making your own decision for the greater good of society." - Fauci, CNN, October 4, 2021

We now move on to the hysterical pandemic, and the despicable Anthony Fauci and his ilk. As important as the implosion of capital markets and hypersonic missiles threatening the *status quo* is; we also have **sociopathic unelected technocrats** trying to impose their form of medical tyranny upon all of humanity. Why do we call it a plandemic? As I have covered many times, they have been running exercises and plots *to exploit a medical crisis for many years* (like the WEF and Event 201). By now, we have all had to endure the insufferable whiny voice of **Fauci** hectoring us daily to follow the (fake) science peddled by the NIH, CDC and FDA. I again refer to the **new book** coming out next month by **Robert F. Kennedy, Jr. above** that will expose this pharmaceutical charlatan, and it will come as no surprise that his wife, who goes by the name **Christine Grady**, heads up the Department of *Bioethics* at her husband's front for **Big Pharma** (the NIH). Blogger **Terry Pauling** provides [this comment](#):

"He's had his hand in every aspect of the virus, from creating it to masking us, shutting society, and resisting early treatment, leading to hundreds of thousands of deaths. His current stance, that everyone should be vaccinated regardless of age, health status, or previous COVID infection, is destructive to our lives and economy. ***Far from being the face of our public health, Fauci is the face of destruction. It's time he was indicted, not extolled. It's also time we stood up and said "no" as loudly as possible – no to vaccinating our children, no to mandates, no to masks, and no to all the rules that keep us from living free lives.*** The more of us do that, the faster this will end."

Unfortunately, this **False Prophet** has deceived the **sheeple** with reassuring lies and flip-flops. But as **Churchill** once warned, when people realize they are "dwelling in a fool's paradise" they will "bitterly resent" their *mass deception*...but the peril and misfortune will be *too late* for any **inconvenient truths**.

The Bible predicts "in the last days difficult times will come" and that "evil men [and women] will proceed from bad to worse, ***deceiving and being deceived***" (2 Tim. 3:1-13). We are certainly living in these times aren't we? I would love it if **Mr. Farci** hits **Bob Kennedy** with a *liable suit* after his book comes out to let all the facts come out in court, but don't hold your breath. He will shrug it off and the **complicit media** will cover for his crimes. But facts don't lie. Back in **October 2019** (the same time as Event 201 with Gates and the WEF), the **Milken Institute** in **Washington, DC** hosted Mr. Farci and his **Big Pharma** friends to discuss how a *new novel flu virus* from **China** could help "bypass FDA approval and "enforce mRNA vaccine to the masses." **Yep.** Watch the two-minute clip [HERE](#). Just another inconvenient truth. Now that we are living in their hellish reality, I think the **most deceitful lie** is that this "so-called vaccine" protects you, and that we have a "pandemic of the unvaccinated!"

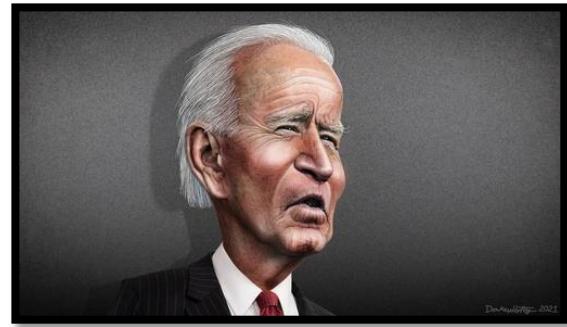

"The question, then, becomes: If the vaccines do not prevent transmission, how can this be a 'pandemic of the unvaccinated?' Both cannot be true at the same time. In other words, it cannot be true that vaccines fail to prevent transmission and that this is a pandemic of the unvaccinated. The data clearly shows the truth of the former. Therefore, the claim of a 'pandemic of the unvaccinated' is false... The allegation that this is a 'pandemic of the unvaccinated' is a flagrant lie, which flies in the face of numbers and facts. It is as regrettable, as it is disturbing, that this lie is being propagated by our country's top health officials. These people must know the truth and yet they choose to disseminate falsehoods about the pandemic."

As you know, **this slimy weasel** keeps peddling **this lie** to the masses, and **Big Pharma** is cashing-in on the scam. The above quote is from **Vasko Kohlmayer**, *former Communist* who lived in **Czechoslovakia** and author *The West in Crisis: Civilizations and Their Death Drives*. And boy, are we on a death drive with the **Covid Death Cult** (CDC). This *former Communist* knows what he speaks of, and has experienced under tyranny in **the old Soviet Bloc**, in Europe. And let's not think that we can escape this any more than the poor victims up in Canada these days!

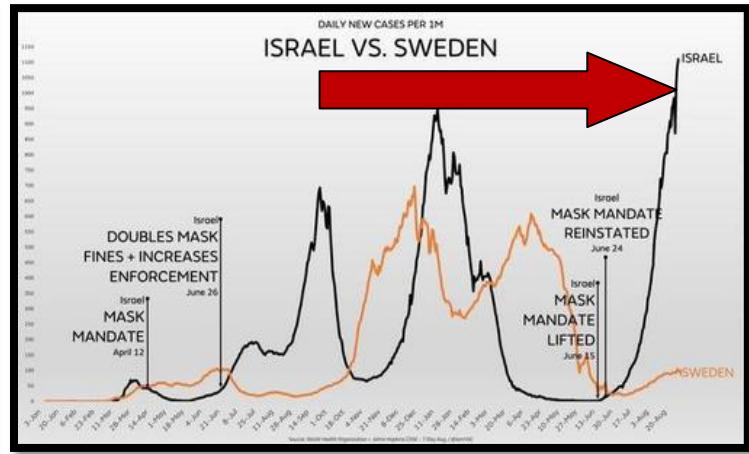

As **Vasco Kohlmayer** concludes at [**THIS LINK**](#) "The facts clearly show that these vaccines have failed, because they do not accomplish what effective vaccines should accomplish: namely, to limit the spread of a disease and substantially reduce the incidence of severe instances of that disease. **The claim by President Biden, and other government officials and establishment scientists**, that we must 'protect' the vaccinated from the unvaccinated is another indication of this. **If the vaccines were effective and conferred protection what would the vaccinated have to fear?** **The vaccine debacle is without question the greatest public health scandal in history, and it is unfolding in plain view for everyone to see!** There should be protests and resistance to this travesty. And yet many are still obediently lining up to get their shots." Indeed, the protests are beginning, that I will cover later.

Seriously people. In the article **link above**, **Vasco** says that we are being **gaslighted** by the evil technocrats and if you don't what that term means, you will by the time you finish this newsletter. **Ole Sleepy Joe** can barely read the teleprompters with his *black squinty eyes* these days to keep the fake narratives going, but he wants the whole world to know that we have a *pandemic of the unvaccinated* who are the real enemies of our nation and pose the greatest threat to humanity - **what a farce!!**

Let's now move on to the **Covid Death Cult** (CDC) and their serial crimes, cover-ups and criminality. And one does not know where to begin. But before I do, I want to say to any of you who have taken the jab, or know people who have, I want to be compassionate as I share the following information. I only say this, because I spend almost all of my waking hours trolling **the daily news cycle** - call it an **occupational hazard** since I am an author, radio person and write newsletters like this. I always try to be truthful, but *not hurtful* (unless it is against the forces of darkness). The very fact that this so-called vaccine is being forced upon us tells you something is very wrong. They never want to acknowledge **natural immunity** (like they have done with small pox and measles). As I indicated last month, the **CDC VAERS system** now reports **1.6 million** adverse reactions and almost **30,000 deaths** due to the mRNA jab. This is way, way more than all previous "vaccines" in history and grossly underreported. The combined deaths are probably over **300,000** worldwide with millions of injuries.

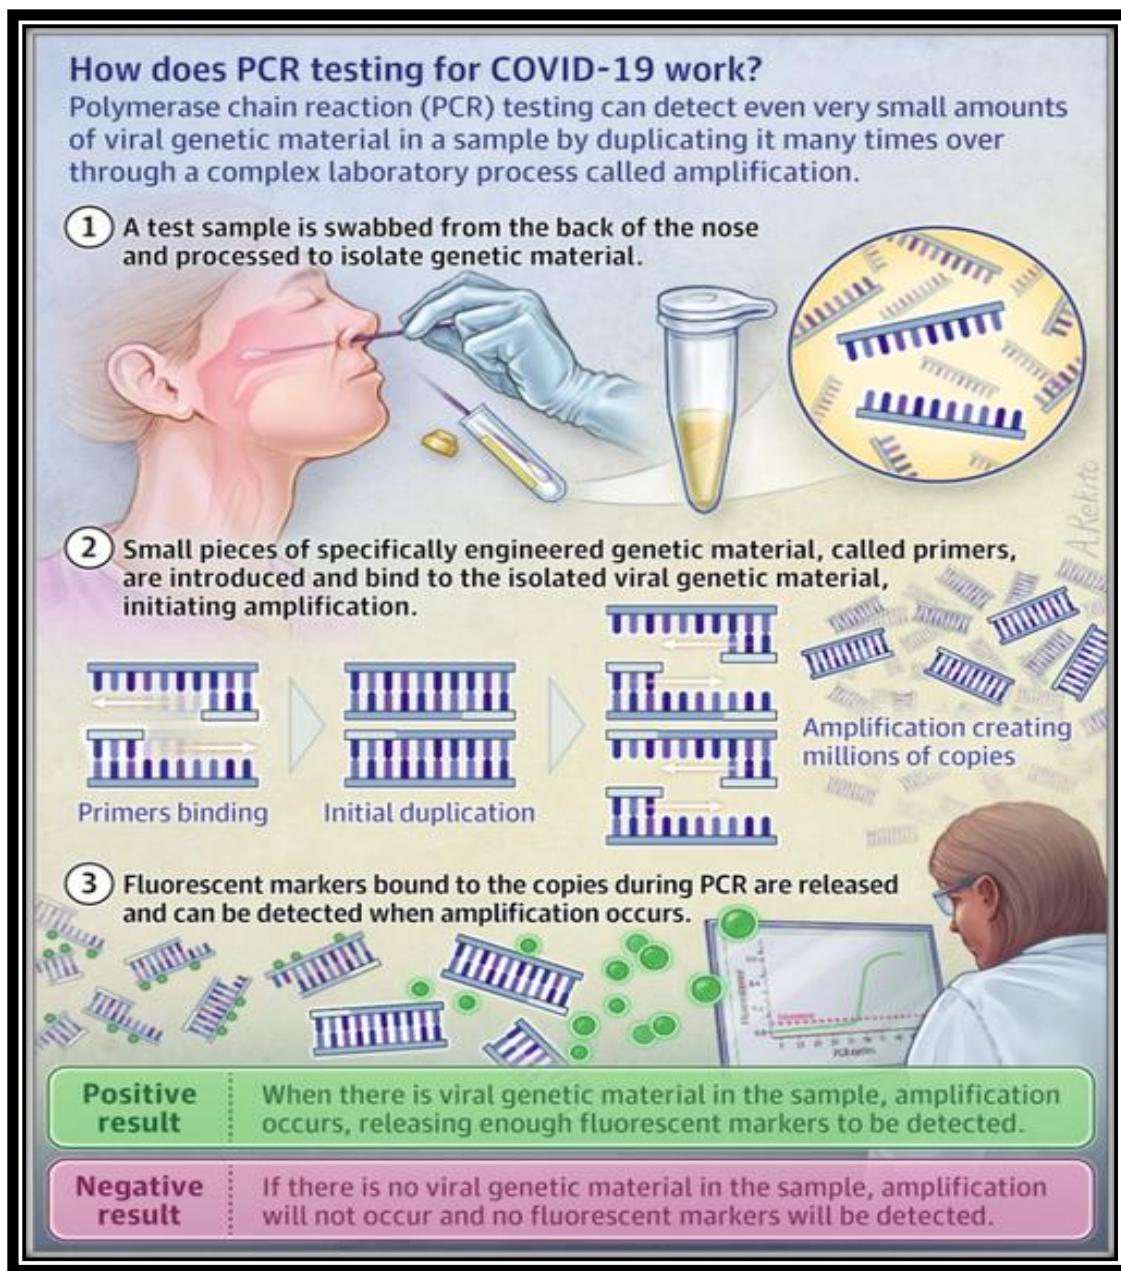

An attorney and whistlerblower in **Ohio**, **Tom Renz**, has charged the **CDC** with a massive cover-up. Why? The **CDC** guideline is that, someone is still considered NOT vaxxed for **14 days after** their jab. According to **Renz** (using Medicare data) he found that **19,400** people younger than **81** years old and **28,065** over **81** all died *within 14 days* of receiving the **jab**, for a total of **48,465 deaths!** Thus, these deaths are attributed to *other causes*, rather than the gene-editing drug trial. **Renz** said "this is raw data" and these **death numbers** represent *less than 20%* of the **US** population, so it is obviously higher. You can read his account at [THIS LINK](#). The level of deception and concealment surrounding this pandemic has to be "the greatest public health scandal" in history! Just consider **Israel** (the most vaxxed country in the world) and how **85%** in their hospitals are the vaxxed people! **In this chart**, you can compare **Israel** with **Sweden** regarding the **holy face diaper** - and they call this science??

Speaking of adverse reactions among the vaxxed, look at this **bloody photo above**. What is that? It is a "string of attached blood clots" suctioned from a **patient's lungs** (after he was on a ventilator)! She posted, "Still think these jabs are harmless?" This is from an [ARTICLE](#) by **Dr. Calvin L. Martin** who has a PhD in molecular biology and immunology. I invite you to [click the link above](#) to see what is being found in these experimental **clot shots**. "A word of warning," says **Dr. Martin**, "these images are not for the faint-hearted. What you are about to see is an immunological catastrophe on a global scale. These slides reveal a level of depravity and human destruction unprecedented in history. The worst part is, this immunological time-bomb has been injected into hundreds of millions of people, including children." Of course, the **FDA** has *now* approved the jab for **5-11 year olds**. How evil is this? In this 9-minute clip, J&J scientists are caught on video saying children should NOT get a jab!

[Project Veritas: Johnson & Johnson Vaccine Exposed!](#)

You really have to see this recent clip by **Project Veritas** to see how deceitful all of this is. **Zerohedge** also picked up on this damning *expose*.....but there are only crickets in the legacy media. And I now want to focus on the **Fake PCR Test** as mentioned in my last newsletter. I consider this to be perhaps the single MOST deceitful hat trick being used to promote the **pandemic** from the very beginning. I mean seriously; people don't have the faintest idea what **PCR even stands for** (I call it the Politically-Correct-Reporting Test). Below is a chart that illustrates the **Polymerase Chain Reaction (PCR) Test**:

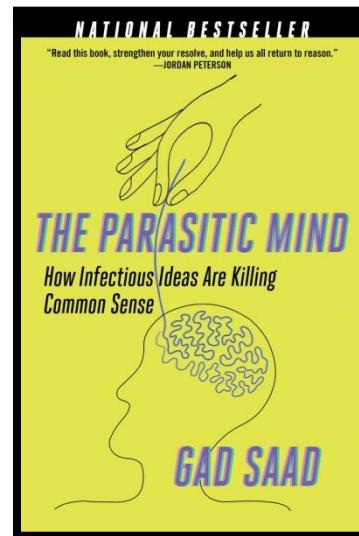

So what is this all-important test? It was invented by **Dr. Kary Mullis** to detect viral material (during the AIDS epidemic). It uses amplification from **0-60**, and as noted in this video by **Mullis anything over 24 results in a False Positive**. Where did the **CDC** start with Covid-19? Mostly **over 40-45**, thus they coined a new term - **Asymptomatic!** Just watch this **3-minute clip** - start at the **1-minute mark**:

[**Kary B. Mullis: The PCR Test Was Not Designed to Test for a Virus!**](#)

As you can see in this clip, **Dr. Mullis** was not a big fan of **Lord Fauci**. In [THIS short clip](#) he says that **Fauci** "doesn't know anything about anything" and that he is just "an administrative person" who has refused to debate anyone. I'm sure this will all come out in **Kennedy's** book. Below is a quote from the above clip. As noted, this is not about "following the science." [It is a not-so-hidden agenda.](#)

"The PCR, if you do it well, you can find almost anything in anybody. These guys have got an agenda which is not what we would like them to have, being that we pay for them to take care of our health in some way. They have a personal kind of agenda. They make up their own rules as they go; they change them when they want to. And they (are smug) — like **Tony Fauci** does not mind going on television in front of the people who pay his salary **and lie directly into the camera.**"

Let's be clear. **The PCR Test** is a total fake. Why? They have been using **35/40** cycles since the very beginning, and **false positives** are reacting to **DNA** material that is NOT specific to Sars-Cov-2. **Fauci** even said "...if you get a cycle threshold of **35 or more** the chances of being replication competent are *minuscule*." Watch it [RIGHT HERE](#) at the 4-minute mark. A study at Harvard School of Public Health found that reducing the **PCR** threshold from **40** to **30**, would have reduced "Covid cases" by **90% in some states!** That's right, **90%!!** So what did they do right after **Biden** was installed as President? The **CDC** instructed the **PCR Test** be reduced from **35/40** cycles to **28 cycles** to make it look like the "vaccine" was working. This is why we have called this a "casedemic" (as seen on CNN almost daily). The fake **PCR Test** is always called The Gold Standard for all things plandemic. Really? A **Chinese** study finds people getting two results from the same test on the same day. In **Germany** and elsewhere, the fake test is reacting to the common cold. In **Tanzania**, samples from goats, pawpaw and motor oil all *tested positive* for Covid-19! According to **Mike Adams**, the **Fake PCR Test** is mostly detecting people with *the common cold or flu virus* since the actual Sars-Cov-2 virus has never been isolated in a lab. The **FDA** actually admitted to this farce and you can read more about this scam at [THIS LINK](#).

In this **new book**, the author states that the *real pandemic* is how "infectious ideas" are killing common sense! In our woke culture of poisonous **Group Think** it's easy to peddle lies and deceit to the masses. In a stunning case of "false positives" **seven universities in California** are *suing* the **CDC** for massive fraud. The charge? Their lab found that, out of **1,500** Covid-19 samples sent to them, not ONE tested positive for the virus; but were simply a viral load for Influenza A or Influenza B! Are you getting a sense of just how **fraudulent** this is? Check it out at [THIS LINK](#), and the **German** group that is offering a **\$265,000** reward for "incontrovertible proof that the Sars-Cov-2 virus has been isolated."

I understand that **this reward** (from the Isolate Truth Fund) has been raised to **\$1.5 million euros**, and is related to the lawsuit against the **CDC** mentioned above. Why is this important? It is extremely important because *a real vaccine*, is cultured from a weakened form of the *actual virus* to help your body develop *actual immunity*. The **experimental mRNA gene-editing drug trial** does NOT provide immunity...and they are using a **Fake PCR Test** to deceive us. **Medical tyrants and technocrats** are **gaslighting** us - a term used when what *you see* and what you are *being told* is the exact opposite. The fraud is so bad, we now have [a report](#) from the **WHO** and [a report](#) from the **FDA** that the current (fake) **PCR Test** is *invalid* and they will "...begin their transition to another FDA-authorized Covid-19 test. The CDC encourages adoption of a multiplexed method that can facilitate detection and differentiation of SARS-CoV-2 and influenza viruses." It would appear that **Fauci** and his people realize that people are catching on, and they need to "transition" to another "authorized" **test**. Meanwhile, the reward cash is still sitting there, but have no takers. I would like to leave you with **THIS LIST** of **30 arguments against this global pandemic** - take it to heart and share with others. And if you have time, I strongly encourage **THIS INTERVIEW** on **Stew Peters** with **Dr. David Martin** - **Wow!** He clearly states that there is no isolated Sars-Cov-2 virus/vaccine, and that the mRNA spike protein is a *lethal pathogen* or **bioweapon**, and this violates the **US Patriot Act, Section 802** and **US Code 18, 175**, 'Prohibitions with Respect to Biological Weapons', which states that anyone who "develops" any biological toxin...or knowingly assists a foreign state (China), or any organization (Big Pharma) to do so" will be fined and imprisoned. This is a must-listen to **video** and is only **13-minutes long**. I say, lock em all up!!!

US Public Outrage & The Plandemic Pushback!

Like I said, people are catching on, or at least "**pushing back**" against the **unlawful mandates** and **medical apartheid** that is being imposed upon humanity! The most recent example was **Southwest Airlines** resisting their vaxx mandate. In early **October**, the pilot's union had a "sick out" and **3,100** flights were cancelled, costing **\$75 million** in losses. Immediately, the **fake media** reported that the cancellations were due to the **FAA** and "inclement" weather (even when no other airline had an issue)? I mean....we have to even LIE about the weather? **Ron Paul** [says the resistance](#) has "...spilled into the open" but **United** and **American** prefer tyranny. Within a week, **Southwest** caved and said their policy is *evolving* and will review "exemptions" by early **December**. And in **New York City**, thousands of **firemen, police, paramedics, teachers and others** have taken to the streets to protest mandates and **medical terrorism**...because these kind of *threats* and *coercion* are the very definition of *terrorism*.

It is almost surreal to watch this happening in the **US**, but after **20** months it is becoming easy to see that this is a not-so-hidden agenda anymore.

Elementary Level

noun

¹ the unlawful use of violence or threats to intimidate or coerce a civilian population or government, with the goal of furthering political, social, or ideological objectives.

As Charles Mackay has famously observed, people "...go mad in herds, while they only recover their senses slowly, one by one." We live in an age of fake news, fake markets, fake elections, fake medical advice, etc., and all amplified by the **corporate/social media echo chambers** to create this poisonous **Group Think** today. But people are waking up *one by one* (even if it takes some financial pain). Have you heard about **In-N-Out Burger Chain** in the People's Republic of California? **The SF Dept. of Public Health shut down their outlet** because they refused to become "*vaccination police*" (checking customer's vaxx status). Can you believe this hysteria? A drive-thru burger joint? I had many other examples to share; but the main point is that people are waking up by now, and we can only hope and pray that this will go national. The (unreported) fact that there has been **extreme demand** for a the *safe and effective* use of **Ivermectin** for early treatment is very revealing. The results are in. Just look at this chart from India last year. Deaths peaked, but they collapsed when Ivermectin was introduced:

But then what do we see? The **Big Pharma** so-called "Covid Vaccine Roll-Out" begins, and the deaths spike again. As our man **Vasco** said earlier (p. 6), "The facts clearly show that these vaccines have failed, because they do not accomplish *what effective vaccines should accomplish*: namely, to limit the spread of a disease and substantially reduce the incidence of severe instances of that disease."

SUMMARY OF RESULTS REPORTED IN IVERMECTIN TRIALS FOR COVID-19. 10/19/21. IVMMETA.COM

As I noted in my last newsletter, **Ivermectin** was **FDA-approved** in **1996**, with **4 billion doses** and only **28 adverse reactions** in **25 years!** It received the **Nobel Prize in 2015** as a *miracle drug*. But No; we have to **reject all of the trials**, and push the experimental mRNA gene-editing drug trial today. **What does that tell you?** It tells you that this NOT about health and safety, but massive profits for **Big Pharma** and a **very wicked agenda** to terrorize and enslave us. In early **2021**, **Merck** put out a severe warning against **Ivermectin**, stating that there was "no scientific basis for a potential therapeutic effect against Covid-19." And then on **June 9, 2021** we discover that **Merck** invented a **new "anti-viral Covid-19 pill"** (similar to Ivermectin) that procured **1.7 million pills** to the federal government at a cost of only.... **\$1.2 billion taxpayer dollars** - I mean, how sweet is that? Read about it [HERE](#).

And just how lucrative has been this regulatory capture and largess been for **Big Pharma** since all of this **medical tyranny** and **criminality**? Consider this. According to the Harvard School of Public Health (p. 9) the new **Merck Covid-19** pill known as "**Molnupiravir**" costs \$17 to produce, but the cost to the taxpayer (gov) is \$712, and the normal dose is 4-times-a-day-for-five-days, or 20-times only \$712 dollars for a total of \$14,240 for *each patient*. Read the facts [**RIGHT HERE**](#). Compared to **Ivermectin**, this same treatment would probably cost *less than a \$100 bucks*. And I think that is all we have to know about the big-pharma-for-profit-medical-healthcare-industry-complex in **America** today.

For additional proof, we see that **Big Pharma** executives have now joined the **Forbes** list of richest **Americans**, including **Moderna** CEO who is worth \$5 billion and growing. The executives at **Pfizer**, **Johnson & Johnson** and **AstraZeneca** are also all making a "killing" (literally). **Gilead** is another drug promoter that is profiting from the **Covid Death Cult** (CDC). They produce the highly toxic **Remdesivir** that is used on ALL new "Covid-19" patients in every hospital. **Remdesivir** is \$3,000 a dose, and no other treatments are allowed (such as Ivermectin and Hydroxychloroquine). **Big Pharma** is a medical cartel that nearly owns **Congress**. **Lindsey Graham** receives hundreds of thousands from their PACs. **Pfizer** currently has 92 lobbyists in **Washington, D.C.**, **Johnson & Johnson** has 67, **Merck** has 53 and **Gilead** has 46. This is how they were able to remove **any liability** for their drugs. First in **1986**, with the [**National Childhood Vaccine Injury Act**](#) and the [**Public Readiness and Emergency Preparedness**](#) (PREP) Act in **2005** that protects vaccine manufacturers when an **emergency use authorization** (EUA) is rolled out, as in **Operation Warp Speed** today. See how the game works?

And remember, all of this death and destruction, theft and tyranny is for a virus that has a **95-99% survival rate** using an **experimental mRNA gene-editing drug trial** that does NOT provide immunity, while using a **Fake PCR Test** to promote their phony **casedemic**. For some perspective, the **Black Death (Bubonic Plague) 1346-1353** killed **51%** of the population, **Small Pox** was **12.1%**, The **Spanish Flu** was **2.6%** and The **Wuhan Virus** today is a *mere .03% globally!* Think about that.

And what about **natural immunity**, right? Nope. We can't talk about that. But there is **push back** in **Michigan** where attorneys are using the **Israeli Report** that supports superiority of *natural immunity*. Recently, the **NBA** is requiring the jab, and Orlando player **Jonathan Isaac**, is resisting this mandate since he has already had the virus. When pressed, he calmly replied that he has natural antibodies, he is young, fit and has concerns about adverse reactions. In addition, he said we should have *a choice* and then cited the **Golden Rule!** This is a wonderful **2-minute clip** you have to watch at [**THIS LINK**](#). It has been estimated that **100 million Americans have natural immunity**, but the mandates continue. In a shocking *expose* by **Project Veritas**, three scientists at **Pfizer** are completely busted, when they were recorded on an undercover video STATING that "natural antibodies" were better than the **clot shot**:

Project Veritas: Pfizer Admits Natural Immunity is Superior!

The above clip is 10-minutes long, and it leaves you speechless. What kind of pathology is at work here? I say it is **totally demonic**. After all, the [Greek term](#) "pharmacia" literally means "sorcery or witchcraft." **Paul** writes, "For our struggle is not against flesh and blood, but...spiritual wickedness in the heavenly places" (Eph. 6:12). And that brings us to the dark side of this pandemic - vaccine passports, medical apartheid and quarantine camps. I addressed vaccine passports in my [April NL](#) if you want to [READ IT](#), with a warning from **Dr. Michael Yeadon**, former **Pfizer** Vice President and Chief Scientific Officer for **32** years. His most recent warning from **October 23rd** is *very concerning*, and you can listen from **40-45 minutes**, at [THIS VIDEO](#). If the technocrats force a vaccine passport with **QR Code and 5G** technology connected to a **government database**, it will be the END of human freedom with NO recovery, he says. By **January 2022**, the **UK** intends to add Social Credits to their pass scheme - [LINK](#). In **France**, they impose fines and six months in jail if you violate their mandate in public places - [LINK](#). All of **Europe** wants an *EU Digital Covid Certificate* for **450** million people, and **Lithuania** was become the *most tyrannical* with their so-called Opportunity Pass - [LINK](#). What is most shocking in all this, *is the pace at which this happening*. Yes, there is **push back** around the world, but not enough. Even more revealing, is this [VIDEO CLIP](#) with **Mark Dice** asking people in **San Diego** to *sign a petition to ARREST ALL UNVAXXED PEOPLE AND PUT THEM IN JAIL!* In this segment of sick humor, you won't believe **how eager** most people are to segregate society!!

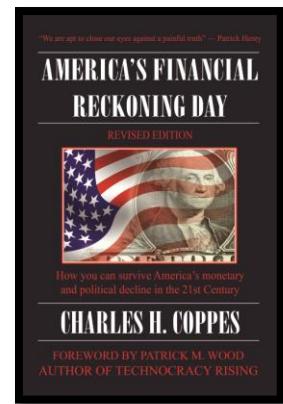

"The natural progress of things, is for liberty to yield, and government to gain ground."
- Thomas Jefferson, Third US President (1743-1826)

Yes, we are on a slippery slope. Just like **Nazi Germany** it all started out very gradual. **James Quinn** has identified what appears to be **Covid-19 Quarantine Camps** here in the US. In Australia they are constructing quarantine camps in Queensland, Victoria, Melbourne and elsewhere. Authorities say it is *only for travelers* returning on flights. But we're reminded of the words of **William Pitt**, "Necessity is the argument of tyrants, and the creed of slaves." **Robert Bridge** at the Strategic Culture Foundation says we are "sleepwalking towards medical apartheid." A fine [ARTICLE](#) with this conclusion:

"Across the so-called Five Eyes alliance, comprised of the U.S., UK, Australia, Canada and New Zealand, a homegrown tyranny based on a creeping medical apartheid is threatening the life, liberty and pursuit of happiness worse than all of history's former tyrants combined. Covid-19 did not create the unbearable conditions for which millions of people from Auckland to Alaska are now suffering; what created our current crisis is the reckless response to Covid-19, **which increasingly appears to be based not on medical science, but rather raw political opportunism. This tragic state of affairs, justified by a disease with a better than 99 percent survival rate, cannot continue indefinitely. In fact, it needs to end immediately.**"

In summary, we are witnessing the greatest public health scandal in all of human history. Indeed, the moment I heard of **Operation Warp Speed**, I knew it would lead to this. All of the **bad actors** with **Big Pharma**, along with **Fauci** and his *ilk*, jumped at the opportunity. We know who these people are, and **Project Veritas** is exposing some of their crimes and cover-ups. We also have a **Fake PCR Test**, along with a **Fake Vaccine**, that they now want to *FORCE* upon all of us. CNN is constantly inflating this **casedemic**, and wants to "punish" the unvaxxed. Their so-called "resident medical health expert," **Dr. Leana Wen** is their strongest advocate for **medical apartheid**. Watch THIS 39-second clip folks! Who is this evil woman? She is the former **President of Planned Parenthood** (promoting eugenics since 1916), a consultant for the **UN World Health Organization** (WHO), a shill for the *Washington Post*, a **Rhodes Scholar** (Fabian Socialist Front), and she has a smiling face at...wait for it...The **World Economic Forum** (WEF) that is the technocratic *locus* for all things **plandemic** - link it HERE.

So, the big question is, can we stop this madness? I am hopeful; but I am skeptical. **Dr. Michael Yeadon** has been a prophetic voice of warning, and has spoken out at great cost to his ruined career. If they succeed with their **digital vaccine passport**, it is game over for humanity. Simple as that. You can read his FULL TESTIMONY at **Pat Wood's website** (who wrote the Foreward to my book). What we are really dealing with here is not only **demonic forces**, but human *complicity and cowardice*. We saw how it went down in **Nazi Germany**. They used **propaganda** (Illusory Truth Effect) and citizens fell into **conformity**, or what social psychologists now call The Asch Conformity Experiment (1951) that proves that people *yield* to the pressure of **Group Think** (accelerated by social media today). We can see this in the **Mark Dice clip above**. In addition, we also have the Bystander Effect in full view. What is this? A study in 1964, proves that most people will NOT help victims "when other people are present." In other words, just as we saw in **Nazi Germany**, the authorities segregated the **Jews** (with a yellow Star of David) and then used violence to force them out of **German** society, while the majority did *nothing*. We know that this also led to forced medical experiments upon the Jews, and that is why the **Nuremberg Code** was adopted to prevent medical experiments *without informed consent*. It states that **people** should "...be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior forms of constraint or coercion; and [they] should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision." Click the link above.

Are medical tyrants using fraud, deceit and coercion *without informed consent today*? You bet. And they are **ALL** in violation of the **Nuremberg Code**. The **Bible** predicts a day when **positive ID** will be required in order to "buy and sell" (Rev. 13:11-18). A **vaccine passport** (with implantable RFID) is clearly a precursor to "the mark of the beast" system that **Dr. Yeadon** is warning about today. And I have covered all of this in my book. Jesus said, "Night is coming when no man can work" (Jn. 9:4).

In conclusion, I know this is some heavy stuff. We are living in uncertain times with rumors of war, pestilence, moral hazard and technocrats ready to *exploit* a global pandemic with **The Great Reset**. I normally comment on **gold and silver**, but I will have an update in my next newsletter. Regular readers know that the banksters are suppressing metals in **NY** and **London**. As **Ted Butler** writes, "...the basic story of the decades-old **Comex** price manipulation is simply to *prevent* the slightly higher prices that would set off *the stampede* into silver." At some point **physical silver** demand will *expose* the empty shelves in **NY**, and that day is drawing near. The very fact that **gold and silver** are trading flat, while *everything else*, from **BTC** to **stocks** and **real estate** is in a **bubble** with runaway inflation tells you all you need to know about rigged capital markets. All manipulations fail in the end.

So, I've been writing **this newsletter** for over **ten years**. Sharing my thoughts and updates on current events, geopolitics and macroeconomics. But as you can tell, my concern has focused on **this wicked global pandemic** that poses *the greatest threat* to freedom and liberty "...more than all of history's former tyrants combined." This is deadly serious stuff. As **David Hume** said, "It is seldom that liberty of any kind is lost all at once." The evil forces of darkness are conspiring to repeat the horrors of **Nazi Germany**, but this time with technological precision. It is a **demonic cocktail of sorcery, greed and lust for power** (1 Tim. 6:10). There is push back in this struggle between good and evil. And I invite you to support **Pat Wood's Citizens for Free Speech** at THIS LINK. One by one, people are waking up. Also, good research at Zerohedge, Off-Guardian, Stew Peters and James Corbett videos. You also need to access **Front Line Covid-19 Critical Care Alliance** for protocols and dosing for treatments at THIS LINK. And below is a must-watch **16-minute video** to educate yourself and share with others:

Powerful Illustrated Video to Challenge Big Pharma

This video provides a great overview, and it concludes with **Dr. Kary Mullis** regarding the **Fake PCR Test** (the so-called Gold Standard). Expose this fraud, and the **whole pandemic edifice collapses** into a normal flu season. Finally, it is obvious that they have been using **fear porn 24/7** to literally frighten people into compliance. For Christians, we do not fear death. **By faith**, our life is "hidden with Christ in God" (Col. 3:3). How about you? Do you want this assurance? I encourage you to find out about this **good news** at THIS LINK on my website. **Dr. John MacArthur** recently addressed our natural fear of death, and I pray that you will watch THIS excellent sermon, and find comfort and inspiration.
